Honors Statement
Students announced as Honors Scholars have completed the requirements of Kennesaw State’s undergraduate honors program and wear red and gold epaulets on their left shoulder to signify this extraordinary academic accomplishment.

Final Degree Audits
Degree completion and honor designations are contingent upon final degree audits. Because the names must be provided to the printer in final form several days prior to commencement, one or more candidates listed herein may have been unable to complete all requirements for the degree. Inability to remove a name at the last moment from the commencement program does not commit the university to grant the diploma to a person thus listed. Similarly, honor status as printed in this program was determined at the end of the previous semester. Final honor status will be noted on the diploma and on the official permanent record.

Note: This program is provided as a courtesy; it is by no means an official or complete record. Some names may not appear because of timing, production and editing processes, incomplete records or dead-line/editing complications due to extensive lists of frequently changing names.

Beginning with spring commencement 2008, graduation ceremonies are individually numbered.

HONORS GRADUATE - 4.0
Graduate students only

Honors Statement
Students announced as Honors Scholars have completed the requirements of Kennesaw State’s undergraduate honors program and wear red and gold epaulets on their left shoulder to signify this extraordinary academic accomplishment.

Final Degree Audits
Degree completion and honor designations are contingent upon final degree audits. Because the names must be provided to the printer in final form several days prior to commencement, one or more candidates listed herein may have been unable to complete all requirements for the degree. Inability to remove a name at the last moment from the commencement program does not commit the university to grant the diploma to a person thus listed. Similarly, honor status as printed in this program was determined at the end of the previous semester. Final honor status will be noted on the diploma and on the official permanent record.

Note: This program is provided as a courtesy; it is by no means an official or complete record. Some names may not appear because of timing, production and editing processes, incomplete records or deadline/editing complications due to extensive lists of frequently changing names.

Beginning with spring commencement 2008, graduation ceremonies are individually numbered.
Pamela S. Whitten
PRESIDENT
Kennesaw State University

Pamela S. Whitten was named Kennesaw State University's fifth president on June 12, 2018 by the Board of Regents of the University System of Georgia, following a nationwide search. Whitten began her tenure on July 16, 2018. As president, she has made improving the student education and experience her top priority, by enhancing the availability of in-demand courses, growing summer enrollment, initiating new faculty and advisor hiring, creating scholarships, and strengthening the research capacity of the university.

Previously, Whitten served as senior vice president for academic affairs and provost at the University of Georgia (UGA), from February 2014 to June 2018. As the chief academic officer, she was responsible for overseeing instruction, research, public service and outreach, student affairs, and information technology.

Prior to serving as provost at UGA, Whitten was director for telemedicine at the University of Kansas Medical Center before she joined Michigan State University, where she worked her way through the faculty ranks and eventually served as dean of the College of Communication Arts and Sciences.

An internationally recognized expert in the field of telemedicine – the remote delivery of health care services and information – Whitten has conducted research with funding from multiple state and federal agencies such as the National Institutes of Health and the U.S. Department of Commerce. She has published two books and more than 100 peer-reviewed research articles and book chapters.

Whitten holds a Ph.D. in Communication Studies from the University of Kansas, a Master of Arts in Communication from the University of Kentucky and a Bachelor of Science in Management from Tulane University.

The University’s nursing program is the largest in Georgia. Its nursing students are highly sought-after in the medical community and have some of the highest passing rates on the statewide licensing exam. The Bagwell College of Education is the second-largest producer of teachers in the state, and the Michael J. Coles College of Business boasts one of the top 50 part-time MBA programs in the country as ranked by U.S. News & World Report.

Since 2009, the University has awarded Global Engagement Certifications to graduate and undergraduate students as part of its commitment to expanding the global experience. Kennesaw State competes at the NCAA Division I level in the Atlantic Sun Conference. In 2015, the University’s first football team took the field, competing in the Football Championship Subdivision as an associate member of the Big South Conference.

Lyrics by Cynthia Parks ’82

Kennesaw, dear Kennesaw,
Nestled in the Georgia pines,
What a special place you hold,
Treasured in this heart of mine.
For the candles you set burning,
Lighting paths of love of learning,
For the gifts you have given me,
Kennesaw, I will cherish thee.

Kennesaw, dear Kennesaw,
Fairest of the Southland’s fame,
Sons and daughters gathered here,
Stand to praise thy lovely name.
For the friendships that were made here,
For the dreams we dared to dream here,
Kennesaw, we will cherish thee,
Kennesaw, we will cherish thee.
